SCREENING COMMITTEE REPORT

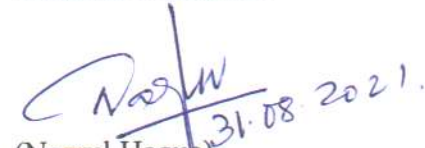

Reference to query received from YP-II applicant (Mr. Temjenngangted Jamir) vide email dated 31.8.2021, the committee re-evaluated the degree of the concern person. It is observed that the degree of Bachelor of Engineering Computer Technology qualifies as per the advertisement, hence, the application is considered. However, the above mentioned application did not reach the cut-off Top-12 shortlist candidate on merit basis. Therefore, a revised screening report of the application for shortlisting of the applicant is prepared.

Submitted for further needful please.

Sir,

With respect I would like to let you know that, from the list of YP-II ANNEXURE (II)(Srl no. 7, Mr. Temjengangted Jamir) has been remarked as 'not having a basic degree'.

But as per the qualification, **B.Tech** and **B.E.** come under the same degree of **computer science. As per my degree it is Bachelor of Engineering in C-Tech i.e., computer science.**

I am sure there has been a mistake on screening treating B.E. on computer science as 'not having a basic degree'.

Thanking you.
